

JUDY PEASE
LCCA

Dear Judy,

CHINESE NEW YEAR FESTIVAL 2013 - YEAR OF THE SNAKE.

LEEDS TOWN HALL - SUNDAY 10TH FEBRUARY 2013

I am writing to express my gratitude for the excellent entertainment in celebration of the Chinese New Year.

It is obvious that a great deal of hard work had taken place to organize & present the LCCA show.

The variety of acts on stage, and activities in other rooms within the Town Hall, were very welcome and of interest to all attending.

I thank you for the excellent seats reserved for my party. They all send their thanks & appreciation to you and your volunteers. Well done to you all, and we all look to bring them again next year 2nd February.

You asked people to let you know about their favourite acts. The Lion dance, Tai Chi, Bollywood, Peacock dances & Chinese costume show are worthy favourites. The novelty Caribbean Dance was new this year & particularly impressive. Well worth repeating next year.

Please now, try & take a well earned break.

Best Wishes & Thanks again
